Order means a purchase order for Products or Services which has been accepted or is deemed to have been accepted by Supplier under clause 2.2, but excluding any terms or conditions printed on or referred to in Supplier's Products or Services list, acceptance of an Order or other documentation unless expressly agreed to in writing by Bayer.

2. Orders

2.1 Bayer may from time to time request Supplier to supply it with quantities of Products or Services. All orders for Products or Services will be placed by Bayer in writing using its standard purchase order form or such other form as may be reasonably required by Bayer from time to time.

2.2 Supplier must confirm acceptance of each order of Products or Services or notify any reason for non-acceptance in writing within 5 Business Days of receipt. All orders which are not responded to within that period will be deemed to have been accepted by Supplier.

2.3 Once accepted or deemed to have been accepted by Supplier, an Order is final and binding upon the parties.

2.4 Upon the acceptance or deemed acceptance of each Order by Supplier, a separate contract of sale (**Contract**) will arise. Each Contract will comprise the accepted Order and these Terms. If there is any inconsistency between these Terms and another provision in a Contract then the other provision will prevail over these Terms only to the extent of the inconsistency.

2.5 For the avoidance of doubt, no terms or conditions of Supplier, including any terms or conditions printed on or referred to in any Product or Services list, acceptance of an Order or other documentation, will be binding on Bayer or have any legal effect unless expressly agreed to in writing by Bayer.

2.6 Supplier must supply Products or Services to Bayer in accordance with the relevant Order.

3. Price and Payment

3.1 Bayer will pay the Price for Products or Services delivered to it to the Supplier within 60 days after receipt of a valid tax invoice from the Supplier unless otherwise agreed in writing between the parties and such agreement is specified on the relevant Order. The applicable Price will be the Price current at the time of acceptance or deemed acceptance of the relevant Order by Supplier, provided that if Supplier reduces its prices for any Products or Services between the date of acceptance or deemed acceptance of the relevant Order and the date of dispatch, the Price valid at the date of dispatch will apply and such change in Price (if any) will be notified to Bayer in order for Bayer and Supplier to mutually agree on the payment of such revised Price (as at the date of dispatch). The Price of Products includes the cost of wrapping, packing, cartons and crating unless specifically stated otherwise in the relevant Order.

3.2 Bayer may withhold payment of the Price under any Contract for Products or Services which do not

- comply with Supplier's obligations under clause 4.1 and 4.3 or Supplier's warranties under clause 5.1 or are otherwise defective, and may set-off any amounts owed by Supplier to Bayer under any Contract or these Terms against the Price payable by Bayer under any Contract.

- 3.4 Unless expressly stated otherwise, all amounts referred to in a Contract including amounts used to determine a payment are exclusive of GST (GST Exclusive Consideration). To the extent that GST is payable in respect of a supply made by the Supplier under or in connection with a Contract, the GST Exclusive Consideration to be provided for that supply is increased by an amount equal to the GST payable by the Supplier and Bayer must pay that additional amount to the Supplier at the same time and in the same manner as the GST Exclusive Consideration subject to Bayer having first received a valid Tax Invoice
- 3.5 Each party agrees to do all things that may be necessary to enable or assist the other party to claim any input tax credit, adjustment or refund in relation to GST paid or payable in respect of any supply made under or in connection with these Terms or any Contract. A party is not obliged to make a payment if the other party does not provide a valid tax invoice.
- 3.6 If a payment to a party under these Terms or any Contract is a payment by way of reimbursement or indemnity and is calculated by reference to the GST inclusive amount of a loss, cost or expense incurred by that party, then the payment is to be reduced by the amount of any input tax credit to which that party is entitled in respect of that loss, cost or expense before any adjustment is made for GST.

- 4.8 Supplier must replace any Product or Service which is not accepted by Bayer within 10 Business Days.
